Who May Enforce the Warranty:

This warranty is only enforceable by the original purchaser.

What Is Covered:

This warranty covers all defects in materials or workmanship. At our sole discretion, **American Security** will repair or replace products covered by this warranty. This warranty does not cover:

- (1) Damage, deterioration or malfunction resulting from:
 - a. Accident, negligence, misuse, abuse, improper installation, failure to perform normal maintenance or failure to follow instructions labeled on or provided in the safe.
 - b. Any damage from shipment.
 - c. Repair or attempted repair by anyone other than a pre-authorized **American Security** service dealer.
- (2) Any unit which has been altered or whose serial number has been defaced, modified or removed.
- (3) Any unit whose combination lock has been changed without factory authorization.
- (4) Normal wear, battery replacement or periodic maintenance.

How To Obtain Service:

All warranty service must have prior authorization from **American Security**. To obtain authorization, contact the **American Security** Service Department at 951-685-9680, ext. #1036. To begin the processing of your claim, please have the product description, serial number, description of problem and proof of purchase ready when you call.

Geographic Limitation:

This warranty only applies to **American Security** products located in the United States and Canada. For **American Security** products located outside the United States and Canada, the warranty covers only parts and not labor.

Exclusions of Damages:

American Security's liability for any defective products is limited to repair or replacement of the product. In no case shall **American Security** be held liable for damages caused by inconvenience, loss of use, damage/loss of contents, or any other damages, whether incidental, consequential or otherwise.
